

# JUNE 2024 DASHBOARD

NORTHEAST IOWA COMMUNITY ACTION CORPORATION

★ 1.9 MILLION ★

LiHEAP season has come to an end. A total of 3,551 applications were approved, totaling \$1,924,480 in assistance!

## CACFP

We celebrated our providers with National Provider Appreciation Day in May! This day recognizes the hard work and dedication of childcare providers, teachers, and other educators of young children everywhere.

## Weatherization

Weatherization staff have been busy renewing contracts with HVAC companies and working on completing various certifications and field testing. The Weatherization Specialist position has been filled and we look forward to welcoming the new team member.

## FaDSS

In the month of May, our FaDSS program had 2 newly enrolled families and served a total of 42 families with 156 significant contacts. Staff also had 50 collaborative contacts with partners on behalf of families.

## Housing

All units are full and we have a waiting list of applications as openings become available! Housing resources including Section 8 rental assistance through UERPC can be found on our website - [www.neicac.org/programs/housing](http://www.neicac.org/programs/housing).

FaDSS Director, Nichole Griese and LiHEAP & General Relief Director, Karen Henry attended the United Way of Winneshiek County's pancake breakfast.

It was a morning of gratitude and great food, educating folks about NEICAC programs and giving thanks to the United Way of Winneshiek County for the funding NEICAC receives in support of our Crisis Assistance Program.

## Transit

Over 2,000 individuals with disabilities used Transit services to get to and from work activities in the month of May.

Our drivers covered 40,000+ miles with a total of 5,733 passengers and had a 96% on time performance rate!

## Early Childhood Programs

Early Childhood Programs staff recently attended the Regional VII Head Start Annual Conference, Where the "Heartland and Heart Work" Intersect!" in Overland Park, Kansas. There were several presenters from the National Head Start Centers available with the latest research on early childhood.

## MEETING COMMUNITY NEEDS

450 More than 450 households were served through NEICAC in the month of May.

170 Over 170 referrals were provided to help households meet food, clothing, rent, utility, health, child care, and other needs.

14,000 Pounds of food and nonfood items were distributed from our Bremer, Howard, and Winneshiek pantries.
